

# Expand Your Expertise

## Nutrition and Chronic Kidney Disease

---

### Schedule

8:30 a.m. – 9:00 a.m. **Registration**  
9:00 a.m. – 4:30 p.m. **Workshop**

### Do you want to expand your expertise in nutrition and chronic kidney disease (CKD)?

This program was organized by Debbie Benner, MA, RD, CSR, Vice President of Clinical Support for DaVita®. Debbie has more than 30 years of experience specializing in nephrology nutrition and is a certified specialist in renal nutrition. She has authored several articles on nutrition in CKD. Speakers for this program are experienced renal dietitians who will share their expertise, answer your questions, and help you expand your knowledge of nutrition and CKD.

The following topics will be covered: **When Kidneys Fail, Treatment Choices, Calories and Protein, Sodium and Fluid, Potassium, Mineral and Bone Disorders, Anemia, Putting It All Together, and Collaboration and Communication.**

This program is designed to increase the knowledge of clinical dietitians or consultants regarding medical nutrition therapy for patients in the late stages of CKD and for those on dialysis.

**Participants will be eligible for six continuing professional units for completion of this program.**
